# BCG Newsletter

It is that wonderful time of year when everyone is looking forward to the Christmas holidays and we have lots of festive events at school for all to enjoy.

### **Christmas Concert**

Last Thursday we were gifted with a wonderful Christmas Concert in our new venue in the secondary building. Twelve student acts performed a wide variety of musical items, piano solos, a drum solo, chamber groups, singers and a pop band. The evening was made even more special when Masha Hommel sang 'Last Christmas' in memory of her father Hans Hommel. It was a beautifully fitting moment.

The evening was rounded off by the fantastic staff band with two Christmas hits. A fabulous evening of musical entertainment and congratulations to all involved.

### **Christmas Fair**

On Friday we had the Christmas Fair and it was so great to see so many Primary and Secondary students with fantastic stalls. This year it was arranged by Houses rather than year groups and each House had a student and staff team who had created a plethora of fun activities for everyone to do. The Fair started with the early Years and Year 1 & 2 concerts in the Auditorium and it was delightful to see them singing and dancing to a range of Christmas songs. It really was great fun and everyone had a fantastic time.

With music from the KS2 and KS3 choirs, followed by the Raffle the event was rounded off with the lighting of the Christmas Tree, this year by Carlota and Diego Garcia Freitas. Huge thanks to all the staff and students who went to great lengths to make it a lovely event.

I would like to wish you all a very Merry Christmas and a Peaceful 2024.

## CHRISTMAS CONCERT EYFS AND KS1

In a symphony of holiday joy, we are delighted to share the magical moments that unfolded during our recent Christmas singing performance. The twinkling lights and tinsel set the stage for an enchanting evening that showcased the dedication and talents of our young performers in the Early Years Foundation Stage (EYFS) and KS1.

Our budding artists, fueled by weeks of preparation, took centre stage with infectious enthusiasm. Their commitment to the festive melodies was evident in every note, and the charming actions they added brought an extra layer of delight to the performance. The rehearsal room, once a hub of laughter and joy, seamlessly transformed into a festive wonderland, echoing with the sweet sound of their harmonious voices.

The pride and joy emanating from our young performers were mirrored in the faces of our supportive parents, who filled the audience with warmth and applause. The Christmas singing performance was not just a showcase of talent but a celebration of the festive spirit that unites our school community.

We extend our heartfelt gratitude to all parents who joined us in celebrating the culmination of the children's hard work and dedication. Your support added an extra layer of magic to the evening, making it a memorable occasion for everyone involved. We look forward to more enchanting moments in the future and wish you a joyful and festive season ahead.

## POLICE VISIT

Taking advantage of the current focus on exploring various professions and occupations at Reception, we had the privilege of hosting a special visit this week. The local police from Gavá generously provided us with the opportunity to delve deeper into their profession.

The police officers began by enlightening us about the primary functions they perform in their daily duties. They shared insights into how they contribute to community safety, assist in emergencies, and actively strive to maintain a peaceful environment. This provided us with a heightened appreciation for the crucial role that police officers play in our society.

The highlight of the visit was when the students were given the thrilling chance to inspect an actual police car. Beyond just activating the sirens, they actively participated in engaging simulations, such as using the radio. This unique hands-on experience not only enhanced their understanding of the police profession but also left them with indelible memories, offering a glimpse into the captivating world of safeguarding the community.

## CHRISTMAS CONCERT SECONDARY

On the evening of December 14th, the British College Gava transformed into a winter wonderland as students from the secondary dazzled the audience with their exceptional talents at the annual Christmas concert. The professionally orchestrated event featured stellar lighting and sound, setting the stage for an unforgettable night of music and holiday cheer.

The blend of classic Christmas tunes and contemporary hits showcased the versatility of the band and set the perfect tone for the evening. One of the highlights of the night was the series of soul-stirring solos that left the audience in awe of the young talents at British College Gava. The carefully curated selection of songs ranged from traditional Christmas classics to modern favorites, ensuring a diverse and engaging musical experience.

The heartwarming centerpiece of the concert was undoubtedly the Christmas choir, whose harmonious voices resonated throughout the performance space. The choir, composed of secondary students, demonstrated exceptional vocal discipline and unity as they delivered a breathtaking rendition of both timeless and contemporary Christmas classics.

The production value of the concert was elevated by the impeccable lighting and sound design. The professional setup added a layer of sophistication to the performances, enhancing the overall visual and auditory experience. The carefully choreographed light displays and crisp sound quality contributed to the immersive atmosphere, allowing the audience to fully immerse themselves in the magic of the season.

The dedication and hard work of both students and staff were evident in every aspect of the concert, from the seamless transitions between performances to the polished execution of musical arrangements. The event not only showcased the students' artistic talents but also demonstrated the collaborative spirit fostered within the British College Gava community.

In conclusion, the Secondary Christmas Concert at British College Gava on December 14th was a huge success, delivering a festive extravaganza that left a lasting impression on all in attendance. The combination of talented solos, a spirited Christmas choir, and an energetic pop band, all set against a backdrop of professional lighting and sound, created a magical evening that will be cherished as a highlight of the holiday season.

The event has come to a close, leaving us with fond memories of a day filled with warmth, laughter, and a strong sense of community.

Leading up to the fair, we were touched by the generosity displayed as you rallied to contribute prizes for the tombola. Your willingness to share and be a part of this special occasion contributed to the overall success of the event. The variety of prizes offered added an exciting element to the fair, and the winners undoubtedly left with smiles on their faces.

On the day of the fair, the array of Christmas desserts, cakes, sweets, and savory delights, as well as the selection of beverages, created a delightful atmosphere. ## GRAN RECAPTE

### DECEMBER CHARITY FOOD DRIVE: A HEARTFELT THANK YOU!

We are overjoyed to share the wonderful news of our successful charity food collection drive in December! Thanks to the incredible generosity of our community members, we have made a significant impact in supporting Gran Recapte, a Catalan non-profit dedicated to fighting food insecurity.

From November 27 to December 11, our collection boxes in the primary library (for EYFS collections) and outside the auditorium (for secondary and sixth form) were filled to the brim with non-perishable food items. Each house played a crucial role, contributing to the success of this initiative. We extend our heartfelt thanks to every individual who participated and contributed.

Your collective efforts have made a real difference in the lives of those facing economic hardships. Your kindness and commitment to giving back exemplify the true spirit of our community.

We express our deepest gratitude to each and every one of you who contributed, donated, and participated in this charitable endeavour. Your generosity has not only filled the boxes but also filled our hearts with gratitude.

## 'CAGA TIÓ' ACTIVITY

Year 1 and Year 2 embarked on an exciting adventure to search for the Caga Tió in the forest, and it turned out to be a highly enriching and enjoyable experience!

To kick off the day, we all gathered for a delightful breakfast, reminiscing about the Caga Tió tradition. Subsequently, we split into two groups and, armed with a map, engaged in various vocabulary tests in both Spanish and Catalan. These activities guided us to our eagerly anticipated destination: The Caga Tió's residence. Once located, we brought him back to school, where we've been nurturing him. Although he's currently small, we eagerly anticipate his growth, hoping he'll soon be ready to bestow upon us a bounty of gifts.

The youngsters in Year 1 and Year 2 had a fantastic time! We're sharing some pictures so that you can also relish the experience.

## COMPETITIONS

Earlier this term we held a 'Design A Christmas Card' competition across Early Years and the Primary school. The idea was to design a Christmas card that we could animate and convert to a Christmas greetings email to send to parents, students, suppliers and fellow schools and organisations. Every class took part and created some of the best Christmas cards I have ever seen. The attention to detail, use of colour and creativity were so impressive but there can only be one winner and this time the winning entry was from Clementine Gill (Year 5B). It was a beautiful design which she had clearly worked very hard to create. Congratulations Clementine!
